# 10 DOLLARS A MONTH, 10

## Buys a Farm in Florida.

One dollar per acre cash and one dollar per acre every month will get you a farm of 10, 20 or 40 acres in Southern Florida. No interest on deferred payments, and no taxes to pay until all payments are made.

These lands are located in the best and healthiest part of Florida where the frost never falls and where the sunshine glows every day in the year. This is the best plan in the world to save some of your earnings each month and at the same time have it invested in good real estate which is advancing in value all the time. This land is now selling for \$30 per acre—next year it will be much higher. Buy now while you can get the pick. Sixty days allowed you to go and investigate the land after making the purchase, and if you are not satisfied your money will be refunded. Round trip from Somerset \$25. If you can't go now, make your purchase while you can get the pick and you can go and investigate later, and if you are not pleased, get your money back. If interested call and see us, or write for one of our booklets describing the country and lands.

Read what is said by some Kentuckians, who have bought some of these lands. County Attorney Redwine of Elliott county, writes us that after seeing the land, he and Judge Redwine bought more than they had contracted for originally, and that they think the price will double itself in a short time. Mr. John W. Waddle and Mr. Meese, both of Somerset, have just returned from there to make investigation of this land and both were so well pleased that they bought land while there. Mr. Waddle tells us he believes it will sell at \$100 per acre in a few years. Get in now while you can get choice selection. Act now and write us today.

WE WANT SOME GOOD AGENTS IN LINCOLN COUNTY OR MIGHT GIVE THE ENTIRE COUNTY TO ONE MAN WHO CAN MAKE GOOD GOOD PROPOSITION TO RIGHT PARTIES.

## Faint?

Have you weak heart, dizzy feelings, oppressed breathing after meals? Or do you experience pain over the heart, shortness of breath on going up stairs and the many distressing symptoms which indicate poor circulation and bad blood? A heart tonic, blood and body-builder that has stood the test of over 40 years of cures is

**Dr. Pierce's Golden Medical Discovery**

The heart becomes regular as clock-work. The red blood corpuscles are increased in number—and the nerves in turn are well fed. The arteries are filled with good rich blood. That is why nervous debility, irritability, fainting spells, disappear and are overcome by this alternative extract of medicinal roots put up by Dr. Pierce without the use of alcohol. Ask your neighbor. Many have been cured of

scrophulous conditions, ulcers, "fever-sores," white swellings, etc., by taking Dr. Pierce's Discovery. Just the refreshing and vitalizing tonic needed for excessive tissue waste, in convalescence from fevers or for run-down, anemic, thin-blooded people. Sick to this safe and sure remedy and refuse all "just as good" kinds offered by the dealer who is looking for a larger profit. Nothing will do you half as much good as Dr. Pierce's Golden Medical Discovery.

## Sale of Franchise

Pursuant to an ordinance adopted by the City Council at the regular meeting held Feb. 2, 1911 the undersigned will on Monday Feb. 27 1911 at about 10 A. M. offer for sale at public outcry a telephone franchise subject to the conditions of said ordinance which is as follows:

The City Council of the city of Stanford do ordain as follows:

Section 1.—That there shall be sold to the highest and best bidder for the term of twenty (20) years a franchise or privilege to construct, establish, maintain and operate a telephone system for public and private use in the city of Stanford, including the necessary conduits, subways and manholes, wires, poles and other equipment, and also the right of way over, along, under, through and in the streets, avenues, alleys, parks, squares, bridges and other public places in said city for the purpose of running the subways, manholes, poles, wires and other equipment necessary to construct, establish, maintain and operate said telephone system in the city of Stanford in accordance with the conditions, terms and limitations of this ordinance.

Section 2.—That it shall be the duty of the mayor to offer said franchise or privilege at public auction to the highest and best bidder at 2 o'clock P. M., on MONDAY FEB. 27th 1911, before the court house door in Stanford Ky., after giving notice thereof by advertisement for ten (10) days in the Interior Journal, and in which notice he will insert this ordinance and he will report to the City Council the bids received by him for its approval and the said City Council reserves the right for and on behalf of the city to reject any and all bids for said franchise or privilege and in case the bid reported by the said Mayor shall be rejected by the City Council it may direct, by resolution or ordinance, said franchise or privilege to be again offered for sale from time to time until a satisfactory bid shall be received and approved, or accept any of the bids offered in its discretion.

Section 3.—Before the said franchise or privilege shall be vested in the bidder whose bid may be accepted by the city council, a contract shall be entered into between the city and said bidder setting out the terms, conditions and limitations upon which said franchise or privilege shall be granted and containing stipulations necessary to protect the city, and to require of the bidder fulfillment of said conditions and limitations, and the city council reserves the power to insert in said contract such stipulations concerning the time in which the work shall begin after the acceptance of the bid and the price to be charged for telephones to its subscribers which shall not exceed \$1 per month for residence, \$2 per month for other service the time at the expiration of which said telephone system shall be in operation, the manner and places in which said poles shall be erected, how much of said wire shall be placed underground and at what points manholes shall be constructed, and such other conditions and limitations as the said council may by ordinance direct.

Section 4.—That the franchise or privilege provided in this ordinance when said contract is entered into shall not be construed as being in any way exclusive or as preventing the city council of the city of Stanford from providing for the sale of similar franchise or privileges to other persons, companies or corporations and this limitation shall be inserted in any contract entered into between the city of Stanford and such person, corporation or company.

Section 5.—This ordinance shall take effect from and after its passage and publication as required by law. A. B. FLORENCE, Mayor. City of Stanford, Ky.

DEMOCRATIC TICKET.

For Circuit Judge.  
HON. CHARLES A. HARDIN,  
of Mercer County

Nearly every newspaper editor will agree that Editor Desha Breckinridge was very right when he said the following in the Lexington Herald the other day:

There is a phase of newspaper work which sometimes oppresses us. It was epitomized in a striking dissertation by the Hon. Edward P. Farrell, who had a brilliant career as lawyer and newspaper man. To summarize his conclusions, reached as a result of his experience, he said that a newspaper might praise every member of a man's family, publish every notice of every entertainment which his wife or daughters gave or to which they were invited; describe their gown as the latest creation of Worth and their form as the perfection of the handiwork of the Most High; suppress the mention of any disagreeable incident in the life of any member of the family, even unto the third of fourth generation; give the men credit for brilliancy and high purposes and never a word of appreciation. Then some morning publish a two line item that a third cousin, twice removed, who had been drunkard and a loafer for years had been strangled and indicted and every member of the family would get mad and the head of the family stop making the paper. A little bit exaggerated but only a little, is this comment of that versatile and brilliant man.

## WHY IS THIS THUS?

There is a great big screw loose in the financial machinery at Frankfort under the sweet-scented Republican administration. The sheriffs have all settled and paid in the cent tax collected for said purpose, and yet word comes that they are unable to send the money due the teachers of this county. What have they done with the money? And what right have they to use the school money for other purpose than that for which it was levied and collected? None, whatever—Flemingsburg Time Democrat.

## THE VOTING AT THE ART EXHIBIT.

(Contributed.) Interest ran high on the voting at Woman's Improvement Club Tuesday night at the "Art Exhibit." The Club had stated in a previous issue that every visitor to the exhibit would have the privilege of casting one vote for the article in the room they admired the most and that the prize would be given to the article judged from three standpoints "most difficult, and excellent of its kind." The club had in mind several educational principals in proposing this prize. One to secure a close examination of each article in the room, 2 to make every one in the community a part of the enterprise, 3 to detect the people who admired the different lines of work, 4 to introduce to the public the many and varied talents of people in our county, 5 to emphasize art as a branch of the Woman's Improvement Club of Stanford, 6 to satisfy those who might not agree with the judge who awarded the prizes of merit given by the Club.

It was never the purpose of the Club to make any discrimination of artist but simply to secure scrutiny and close study of their work.

It was very interesting to see how the 243 votes were distributed and it may explain to some why they did not get the "popular prize." The voters were taken carefully by the president of the club who was a disinterested party, or rather an impartial servant of the people not having any work of her own on exhibition. The name of each voter the article voted for and the number of it, as well as the names were carefully registered and checked off and counted. The count runs as follows: Mrs. Sam Embury's embroidered counterpane 34; Harris Coleman's rock of ages 19; wolf, 7 elk, 6 roses 1; Mrs. Bartley's waist No. 3, received 24; Miss Charlotte Warren's chop platter No. 1, 23; Jean Paxton's Plaster No. 5, 15 votes; Florence Carter No. 5, 9 votes; No. 2, 2 votes. No. 4 2 votes; Mrs. Fowler's embroidery sheets three towels, 1, No. 3, 7 votes; No. 4, 2 votes; Lyle's Gooder's No. 5 5 votes; No. 3, 1 vote; Mrs. Sheltan's picture 4 votes; Mrs. Emma Prew it's dress 4 votes; Mary Burdette's picture 4 votes. Many others received one and two votes. The following business firms contributed to the enterprise:

Everance & Son, G. L. Penny drug, H. J. McRoberts, W. M. Bright, Lincoln County National Bank, J. C. McClary, W. K. Shugart drugist, Sam Robinson, W. H. ## SUNDAY SCHOOL.

Lesson IX.—First Quarter, For Feb. 26, 1911.

### THE INTERNATIONAL SERIES.

Text of the Lesson, 1 Kings xxi, 11-26.  
Memory Verses, 17-19—Golden Text, Luke xii, 15—Commentary Prepared by Rev. D. M. Stearns.

In our last lesson Elijah was commissioned to anoint Elisha as prophet in his stead. He found him plowing with the twelfth of twelve yoke of oxen and cast his mantle upon him. Elisha bade farewell to his father and mother, prepared a feast for the people, cooking the flesh of a yoke of oxen with the instruments of the oxen, thus burning the bridge behind him, and went after Elijah and ministered unto him (chapter xix, 19-21), and we shall see a sequel to such whole heartedness in our next lesson.

The story of chapter xx we shall have for a lesson on March 19; therefore we pass it by for the present, and Elijah does not appear in it.

In the lesson of today we come to a story of the greatest possible cruel heartlessness on the part of Ahab and Jezebel, with a prediction of the doom of each from the Lord through Elijah, which was, like all the Lord's predictions, literally fulfilled.

A man called Naboth had a vineyard hard by the palace of Ahab, which the king coveted, as he said, for a garden of herbs because it was near his house. The king offered him the worth of it in money or a better vineyard in its stead, but Naboth refused to let the king have it, saying, "The Lord forbid it me that I should give the inheritance of my fathers unto thee" (verse 3). It is refreshing to meet a man who seeks no favors from and has no fear of even a king.

What a contrast to Naboth is this despicable king, who, because he cannot have what he wants, goes home and to bed, turns away his face and will not eat! How completely small some great men are and how some are so lowly circumstances! A vineyard makes me think of the vine of John xv, and Naboth's clinging to the vineyard which was the inheritance of his fathers is in striking contrast to the readiness with which many preachers and teachers of today give up all that their fathers held dear concerning the true vine. May we prove ourselves abiding branches to the vine and jealously guard the vineyard from all evil eyes, even though it cost our life or our position to do this.

The garden of herbs for which the king said that he wanted the vineyard brings to mind the saying concerning evildoers and workers of iniquity in Psalm xxxvii, 1-2, "They shall soon be cut down like the grass and wither as the green herb."

In Jezebel we see those who, like Herodias, do not scruple to take off the earth any one who happens to be in their way, true children of the devil, who has the power of death and was a murderer from the beginning (John 8, 14; John 8, 44). "I will give thee the vineyard of Naboth the Jezreelite" (verse 7) were her words to Ahab, as if she owned it and Naboth, too, and could do as she pleased. Her true lord and master, the devil, once said to the Lord Jesus as he showed Him all the kingdoms of the world and the glory of them, "All these things will I give thee if thou wilt fall down and worship me" (Matt. iv, 8, 9). Because He would not worship him he proceeded to kill him, which he finally did.

So Jezebel proceeded forthwith to kill Naboth, which she did by means of two sons of Belial, who lied, like their father, and others who did her bidding, afraid not, I suppose, lest they, too, might lose their lives at the hands of this murderess. Note their false accusations of Naboth. "He blasphemed God and the king." What an awful association of the living and true God with one who represented the devil, and yet when Jesus Christ was on earth, God manifest in the flesh, his enemies told Him that He had a devil (John vii, 20; viii, 52; x, 20). They also raised up false witnesses against Him who laid to His charge things that He knew not (Ps. xxxv, 11). We are still in an enemy's country and cannot expect better treatment than our Master, received and must remember that all who live godly in Christ Jesus shall suffer persecution (II Tim. iii, 12).

With what seeming triumph Jezebel says to Ahab: "Aha, take possession of the vineyard of Naboth. . . . for Naboth is not alive, but dead" (verse 15). But the word of the Lord came again to Elijah with a message for Ahab and Jezebel: "Thus saith the Lord: In the place where dogs licked the blood of Naboth, shall dogs lick thy blood, even thine. . . . The dogs shall eat Jezebel by the wall of Jezreel" (verses 19-23). And so it literally came to pass (22-24; II Kings ix, 30).

Whatever a man soweth that shall he also reap. Her sins have reached unto heaven, and God hath remembered her iniquities. How much she hath glorified herself and lived deliciously, so much torment and sorrow give her (Gal. vi, 7; Rev. viii, 6-7). What an epitaph upon these two, "Ahab, who did sell himself to work wickedness in the sight of the Lord, whom Jezebel his wife followed" (verse 25). How far from peaceful the manner of their death, but what about their condition ever since? The words of Psalm vii, 23-26; Rev. xiv, 10, 11, are forcibly suggestive.

Last—Gold seal ring with initials "S. D. T." Shoulder for return to Mrs. Clara D. Taylor. 64.
